

# 2022 NATIONAL HEALTH RESEARCH FORUM

STRAIGHT TALK: THEN, NOW, IMAGINE

REGISTER FOR  
THE FORUM

SEPTEMBER 19-20, 2022

All times are in Eastern Daylight Time. Virtual space is live at 9 a.m. ET for networking.

## DAY 1-Starting with the Patient September 19

### 10:00 Welcome and Opening Remarks

**Marc Boutin, JD**

Global Head of Patient Engagement, Novartis

**Mary Woolley\***

President and CEO, Research!America

### 10:20 What it Takes to Make Progress

**Eleanor "Ellie" Dehoney**

Vice President, Policy and Advocacy,  
Research!America

*Moderator*

**Dan Skovronsky MD, PhD**

Senior Vice President and Chief Scientific and Medical  
Officer, Eli Lilly and Company

### 10:40 Once-in-a-Generation Legislation: The Chips and Science Bill

**Judy Woodruff\***

Anchor and Managing Editor, PBS NewsHour

*Moderator*

**Sethuraman Panchanathan, PhD**

Director, National Science Foundation

### 11:15 Clinical Trial Diversity: A Research Imperative

**Yasmeen Long, MA**

Director, FasterCures, Milken Institute

*Moderator*

**Melanie Ivarsson, OBE**

Chief Development Officer, Moderna

**Moses Alobo, MD**

Programmes Manager Grand Challenges Africa,  
Science for Africa Foundation

**E. Albert Reece, MD, PhD, MBA\***

Dean Emeritus and former Executive VP; Professor, OBGYN,  
Biochemistry and Molecular Biology, University of Maryland School  
of Medicine

### 12:15 Why I Fight for Medical Progress

**Pat Furlong**

President and CEO, Parent Project Muscular Dystrophy

### 12:20 The Path of Patient Engagement

**Randall "Randy" Rutta, MA**

CEO, National Health Council

*Moderator*

**Nakela Cook, MD, MPH**

Executive Director, Patient-Centered  
Outcomes Research Institute

### 1:30 Can New Discoveries Combat Antimicrobial Resistance?

This panel will explore the impact of COVID-19 on AMR as well as promising new approaches to addressing AMR such as wastewater surveillance, genomic sequencing, and phages research.

**Rachel Roubein**

National health-care reporter and author of *The Health 202*,  
*The Washington Post*

*Moderator*

**Michael Craig, MPP**

Director, Antimicrobial Resistance Coordination and Strategy Unit, CDC

**Jeff F. Miller, PhD**

Fred Kavli Chair, NanoSystems Sciences; Director, California NanoSystems Institute; Professor, Dept. of Microbiology, Immunology and Molecular Genetics, UCLA

**Amy Mathers, MD, D(ABMM)**

Associate Professor of Medicine and Pathology, University of Virginia School of Medicine Division of Infectious Diseases & International Health

**Michael Ybarra, MD, FACEP, FAPC**

Vice President of Advocacy and Strategic Alliances and Chief of Medical Affairs, PhRMA

2:30

## A Road Worth Traveling: Researcher to Researcher

*Moderator*

**Keila Miles, PhD**

Learning Impact Fellow, Federation of American Scientists

**Ned Braunstein, MD**

Executive Vice President, Regulatory Affairs and Global Patient Safety, Regeneron

2:50

## Lupus: Patient-Centered Advances in Treatments and Education

*Moderator*

**Alok Patel, MD**

Pediatric Hospitalist, Lucile Packard Children's Hospital; Special Correspondent, ABC News; Pediatric Content Advisor, Medscape; Host, NOVA Now Podcast, PBS

**Janine Austin Clayton, MD, FARVO**

NIH Associate Director for Research on Women's Health; Director, NIH Office of Research on Women's Health

**Sherrita M. Dorsey, RN, MSN, FNP**

Senior Director, Advocacy & Patient Engagement, Specialty Business Unit, GlaxoSmithKline

**Wendy Rodgers, MEd, MPH**

Director, Care and Support Services, Lupus Foundation of America

3:45

## Deadlier than Ever: The Obesity Epidemic

**Arthur C. Evans Jr., PhD\***

CEO, American Psychological Association

3:50

## Special Remarks

**The Honorable Shelley Moore Capito**

U.S. Senate (R-WV)

3:55

## A Vision for the Future of Health Care

*Moderator*

**Deborah Trautman, PhD, RN, FAAN\***

President & CEO, American Association of Colleges of Nursing

**Jan Herzhoff**

President, Elsevier Health

4:10

## It's Time for a Change

**Emil D. Kakkis, MD, PhD**

Founder, President and CEO, Ultragenyx

4:25

## Special Remarks

**Admiral Rachel L. Levine, MD**

Assistant Secretary for Health, Department of Health and Human Services

# DAY 2-Partnerships, Innovation, and Trust

## September 20

### 10:00 Welcome and Opening Remarks

**Mary Woolley\***  
President and CEO, Research!America

**Vice Admiral Vivek H. Murthy, MD, MBA**  
U.S. Surgeon General,  
Department of Health and Human Services

### 10:10 Connected Technologies Improving Health

*Moderator*

**Nancy Brown\***  
Chief Executive Officer,  
American Heart Association

**Jessica Mega, MD, MPH\***  
Co-Founder and Chief Medical and  
Scientific Officer, Verily

**Maria Emanuel Ryan, DDS, PhD**  
Vice President and Chief Clinical Officer,  
Colgate-Palmolive Company

### 10:45 Alzheimer's Research: An Early Career Researcher's Perspective

*Moderator*

**Savannah G. Sims, PhD**  
Dr. Leroy Hood Science Policy Fellow,  
Research!America

**James Quinn, PhD**  
Research Fellow in Neurology,  
Massachusetts General Hospital and Harvard Medical School

### 10:55 Translational Research: The Path from Evidence to Intervention

*Moderator*

**Mark McClellan, MD, PhD\***  
Robert J. Margolis Professor of Business, Medicine, and  
Policy; Director, Duke-Margolis Center for Health Policy,  
Duke University

**David Reese, MD**  
Executive Vice President, Research and Development,  
Amgen Inc.

### 11:15 Removing Barriers to Pediatric Clinical Trials

**Jacqui Whiteway, PhD**  
Senior Director, Centre for Paediatric Clinical  
Development, ICON plc (an ACRO member company)

### 11:30 Medical Progress Redoubled: Forging Multi-Sector Partnerships

*Moderator*

**Derek K. Rapp\***  
Managing Director, RiverVest Venture Partners

**Akiko Otani**  
Senior Director, Public Private Partnership and Global  
Science Policy, Takeda

**Edward Neilan, MD, PhD**  
Chief Medical and Scientific Officer, National Organization for  
Rare Disorders

### 12:00 Reducing the Wait for Breakthrough Medical Devices

*Moderator*

**Jeff Allen, PhD**  
President and CEO,  
Friends of Cancer Research

**Lishan Aklog, MD**  
Chairman & CEO, Co-Founder at PAVmed Inc and Lucid  
Diagnostics Inc.; Medical Technology Entrepreneur; Heart Surgeon

### 12:30 Confronting a New Challenge: Monkeypox

*Moderator*

**Ayman El-Mohandes, MBBCh, MD, MPH\***  
Dean, City University of New York Graduate School of  
Public Health and Health Policy

**Demetre Daskalakis, MD, MPH**  
National Monkeypox Response Deputy Coordinator,  
White House

12:45

## Health and Medical Research Opportunities and Challenges

**Mary Woolley\***

President and CEO, Research!America

Moderator

**Larry Tabak, DDS, PhD**

Performing the Duties of the Director  
of the National Institutes of Health

1:15

## Novel Clinical Trial Design Paving the Way for Innovation

**Harold "Hal" Paz, MD, MS\***

Executive Vice President for Health Sciences,  
Stony Brook University

Moderator

**Peter Marks, MD, PhD**

Director, Center for Biologics Evaluation & Research,  
FDA

**Cyndi Zagieboylo\***

President and CEO, National Multiple Sclerosis Society

1:45

## A Vision for FDA's Future

**Susan Dentzer\***

Chair, Research!America Board; President and CEO,  
America's Physician Groups

Moderator

**Robert Califf, MD**

Commissioner, Food and Drug Administration

2:05

## Health Services Research Driving Change in Patient Care

**Melissa J. Perry, ScD, MHS**

Dean, College of Health and Human Services,  
George Mason University

Moderator

**Robert Otto Valdez, PhD, MHSA**

Director, Agency for Healthcare Research and Quality

2:30

## A Few Perspectives on Fostering a Diverse Research Workforce

The panel will discuss the importance of developing a research workforce that reflects the diversity of our nation and preserves U.S. competitiveness.

**M. Roy Wilson, MD\***

President, Wayne State University

Moderator

**Marie Bernard, MD**

Chief Officer for Scientific Workforce Diversity (COSWD),  
NIH

**Elvie Gee**

Executive Director, Global Inclusion & Diversity,  
Bristol Myers Squibb

**Jasmine George, PhD**

Dr. Louis Sullivan Science Policy Fellow,  
Research!America

**Gary A. Puckrein, PhD**

President and CEO,  
National Minority Quality Forum

3:45

## Breaking Down Walls to Build Science Trust - What's Working?

Panelists will discuss current efforts to foster greater trust in science, what is working, and what could be improved.

**Jenny Luray**

Vice President of Strategy and Communications,  
Research!America

Moderator

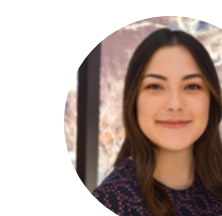

**Elizabeth Christopherson**

President and CEO,  
Rita Allen Foundation

**Andrea Isabel López**

Civic Science Fellow, CienciaPR

**Maria Newhardt, PhD**

Post-Doctoral Fellow, Oklahoma Medical Research  
Foundation; Director, Community Outreach Program,  
University Of Oklahoma Health Sciences Center

**Reed Tuckson, MD, FACP\***

Cofounder, Black Coalition Against COVID

4:45

## Becoming a Public Health Nation

**Guillermo "Willy" Prado, PhD\***

Vice Provost, Faculty Affairs; Dean, Graduate School;  
Professor, Nursing and Health Studies, Public Health  
Sciences, and Psychology, University of Miami

Moderator

**Ashish Jha, MD, MPH**

White House COVID-19 Response Coordinator
